CRISTOBAL HIGH SCHOOL

COCO SOLO, CANAL ZONE

The Journalism Class has created the 1967 annual for the students, faculty, and friends of Cristobal Jr.-Sr. High School.

Too often we forget those who aid the progress of society in the world, including

the school. The government of the United States is "of the people, for the people, and by the people." So is our school. The Tigers have worked together for fifty years to create a school of which everyone can be proud, one of individualism, guidance, and most of all, spirit.

All should take pride in these accomplishments. It is for this reason we dedicate this yearbook to you, CHS TIGERS.

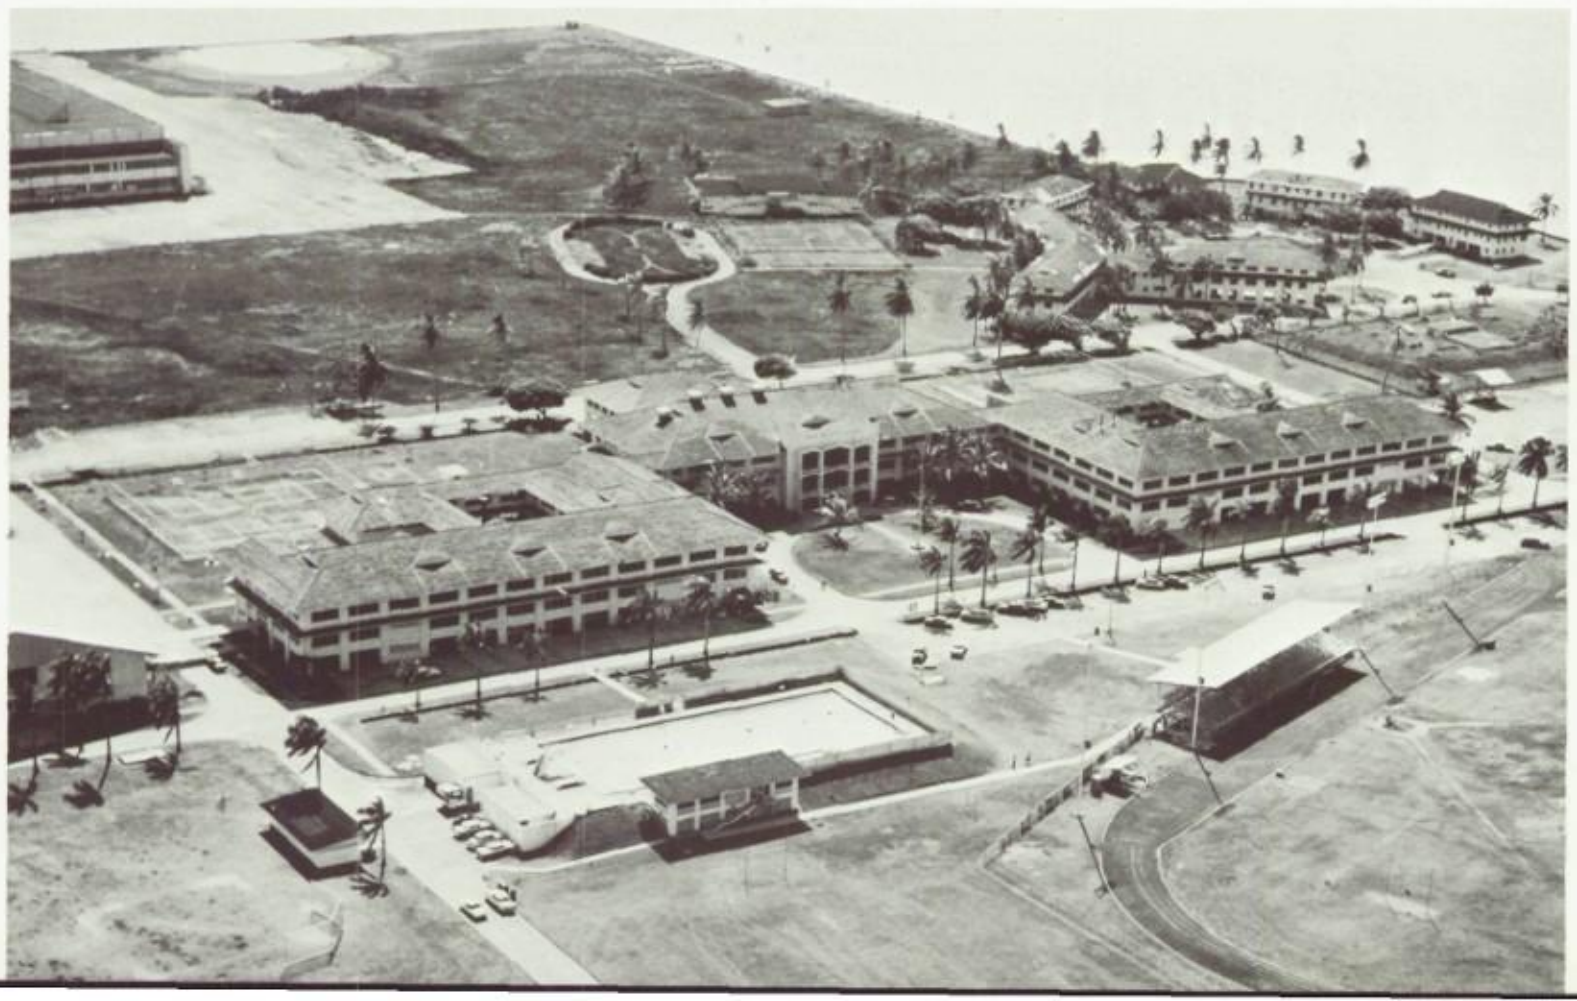
Fifty Years Of Progress

This year CHS is fifty years old. Here are pictured the buildings which have housed Cristobal students. Before 1917, high schools in the Canal Zone had wavering existences. Schools on the Atlantic side have been located in Cristobal and Gatun, and after 1914 a high school was held first at Ancon and then in Balboa.

In 1917, Colon Beach became the first site of CHS. Because of this, Atlantic side students no longer had to commute to the Pacific side for school.

The second building, which was ideal for the tropics, was finished in 1934 and used until 1958. The present building is receiving air conditioning as a 50th anniversary gift and is expected to meet the needs of students for years to come.



If one were to come back to Cristobal High after fifty years absence, a great surprise would be in store for him. Much change and progress has come about here, as CHS has been moved from one building to another. Through fifty years of growth CHS has seen new faces and old, and has been the site of many new Zone projects.

Some of our faculty members have supported Cristobal first as students and now as teachers. Mrs. Taylor, secretary, who graduated in 1929 remembers traveling to the other side as a cheerleader on the first special train.

Baseball has been a school sport from the beginning, and football, although not as old to CHS, has been a favorite of many, with Tiger Spirit being the center of social life for many years. Even the stadium upholds our mascot, by being christened "Tiger Stadium" in 1966.

Other teachers who are alumni of CHS are Mr. Reeves, who graduated in 1939 and Mr. Gregg, from the class of 1945. Mrs. Stohre, the present librarian, graduated in 1949. One of our newer teachers who graduated in 1956, is Mr. Palumbo Jr.

Just prior to World War II, Cristobal reached an all time high enrollment of 331 students. This number rapidly declined, however, during the war, but CHS still joined and supported the new wartime organization, the Victory Corps. The purpose of this was to impart information which would directly aid those who entered the war service as active participants. An Aeronautics course was also offered during the war.

In 1921 the first annual Visiting Day was originated in CHS. This has been carried on, in different forms up to the present. It has become customary to designate one day during National Education Week as visitor's day. This year 148 parents and friends visited class rooms on that day, Wednesday, November 10.

In 1919, eight different courses were offered to students and there were six teachers to teach these courses. This year fifty-eight were listed in the curriculum and there were fifty-one full-time teachers in CHS.

CHS has been a member of the Middle States Association of Colleges and Secondary Schools since 1929. Credits earned here are accepted at full value by accredited schools in the United States.

Traditions

Seniors First—It has become a long standing and a very attractive tradition for all students to remain seated during all assembly programs until the Seniors have left the auditorium.

Frosh-Soph Brawl—On the afternoon of the opening day

We've Come To Sing A Praise
(Alma Mater)

We've come to sing a praise
A hearty cheer to raise
For the school we love so dear
Our own Cristobal High
We'll honor her name
Increase her fame
Through passing years
Twill be the same.

She's the best on the Zone
She's second to none
We're proud to claim her for
Our own, Our very own
Oh yes we've found her best
North, East, South, West
She's our own Cristobal High.

the two lower classes meet in a friendly series of contests to introduce the Frosh to the school. The annual Brawl has taken the place of the undesirable and prohibited hazing of other years.

Get Acquainted Dance—This traditional dance provides a very pleasant social affair for the beginning of the new school year.

Football Jamboree—This colorful spectacle pits each team in the league against each other team for one quarter of football. The pre-game parade and presentation of the Queens of each squad make the occasion one of the highlights of the year.

Homecoming Dance—This serves as an opportunity to bring the Alumni back to renew pleasant memories. The crowning of the queen makes this a beautiful affair.

Senior Formal Dance—This impressive dance is just before Christmas vacation. The dignity of the affair and the presentation of the Hall of Fame for the yearbook make this one of the most memorable events of the year.

Christmas Festival—One highlight of the year is the presentation of the Christmas musical by the music department.

Awards Day—Recognition is given to all students who have excelled in the various activities of the school.

Spring Music Festival—This is another of the principal programs of the music department. It is given at Easter time and celebrates National Music Week.

Senior Day—This day the seniors do not attend school. Instead, they participate in a variety of organized activities.

The Tiger Spirit—Evidenced by the hard fighting sportsmanlike spirit of the teams, winning or losing; by staunch loyalty to the school that permits no criticism to go unchallenged; by the wide participation of students in school activities; by the return of graduates year after year to revive pleasant memories of school days. The Tiger spirit has become well known. Every student is soon imbued with it and does not hesitate to show it on every occasion.

In Memoriam

NANCY C. MITCHELL

ALEXANDER G. HEPPENHEIMER

Nancy C. Mitchell and Alexander G. Heppenheimer were both honor students, active in CHS and graduates with the class of '64. Both lost their lives in car accidents in the States this past summer.

ACTIVITIES

Hardworking S. A.

S. A. Officers, *l. to r.:* Marianne Field, Sec.; Jane Bridgeford, Pres.; Gloria Lelaidier, Treas., Dale Scott, Vice Pres.

Student Council, *l. to r., first row:* Leslie Marek, Mary Redman, Eileen Ridge, Eric Irion, Vicki Kaufer; *second row:* Judy Fong, Maria Kerley, Jennie Johnson, Warren Patton; *third row:* Jerry Weigle, Monty Belanger, Margaret Will, Linda Hood; *fourth row:* Doug Jones, Joan DeLapp, Norman Spector; *fifth row:* Leo Paulson, Brent Mitchell, Sara Palumbo; *sixth row:* Gloria Lelaidier, Jane Bridgeford, Dale Scott, Marianne Field.

The Student Association of CHS, better known as the S. A., is the backbone of our school life. It sponsors every high school organization and activity. The hard-working officers organize the special S. A. trains for the football games, the opening day assembly, the annual Jamboree, and the Freshman-Sophomore Brawl. They decorate the Christmas tree and plan all assemblies throughout the school year. The funds, which come from S. A. tickets, are budgeted to help each dance and club. The "Back to School" dance is another activity sponsored by the S. A.

New to the S. A. this year is the "Campus Commie." This ingenious store sells many items, such as pencils, shakers, decals, sweatshirts, and pillows. Also new is the relocation and redecorating of a permanent S. A. room on the third floor.

A highlight of the year is the S. A. elections, when the student body elects the new officers for the coming year. There is a vigorous and colorful campaign throughout the week prior to election day.

The Student Association's sponsor, Mr. William J. Gansen, lightens the workload with his seemingly endless supply of energy and enlivens the meetings with his subtle humor.

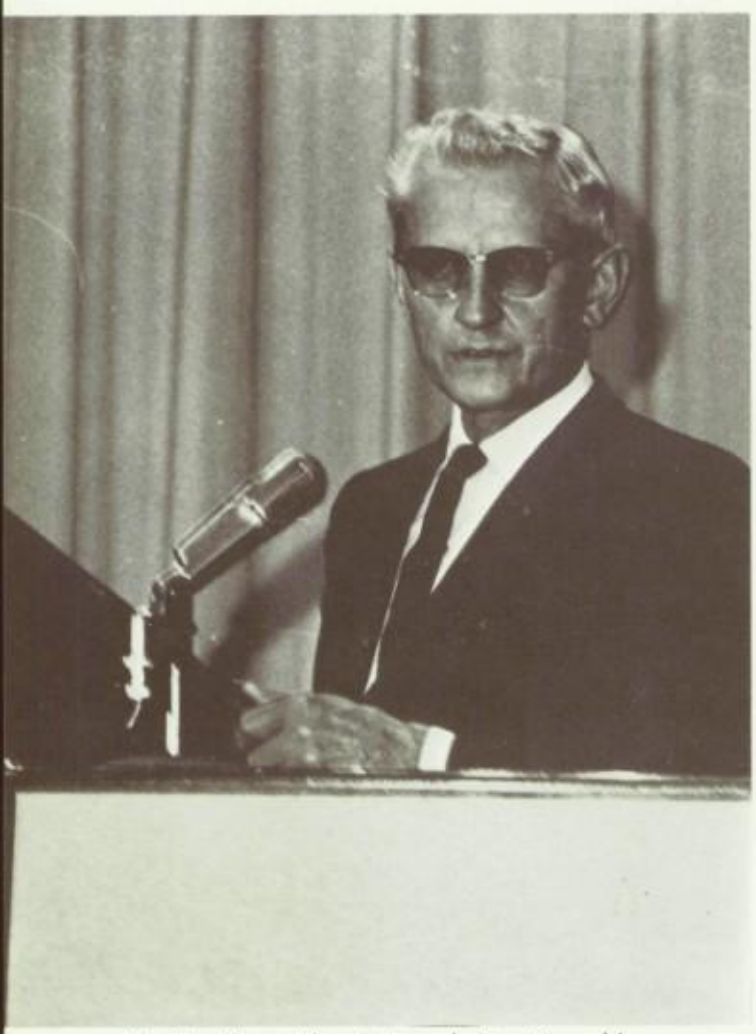
Awards Day Assembly Each Year Honors Deserving Students



Mr. Maedl presides at Awards Day Assembly

Mr. Palumbo presents the Noel E. Gibson Memorial Hall of Fame for athletic excellency, which was new last year. Mr. Gibson was an industrial arts teacher in CHS who was always vitally interested in sports. After his death, Mrs. Gibson said she would like to see part of the memorial funds set up in this way. A special board each year may pick any students who qualify as outstanding athletes and those students names will be engraved on the plaque which will remain in the CHS trophy case.

Community organizations such as American Legion Auxiliary, Caribbean College Club, Elks Club, and Lions Club present various awards to seniors.

Mr. Reeves presents a Safe Driver's Award, and Coach Litton gives out athletic awards.

Miss Siebrands presents Quill and Scroll pins.

17th Annual Jamboree Begins 1966 Football Season

C. H. S. Second Place Winners Of 1966 Jamboree

Kicking off the 1966 football season was the 17th Annual Football Jamboree. Tiger Stadium on September 23 was the scene for this interscholastic event among Cristobal High School, Balboa High School, Canal Zone College, and Schools Division Athletic Club.

CZC, with a total of 34 points, was the winner of the Jamboree. CHS, second place winner, scored 21 points, BHS, 7, and SDAC, 6. Each team played its three opponents for a total of six quarters.

Mr. Luke Palumbo, a former CHS coach, conceived the idea of a Football Jamboree and the first was played in 1950. At that time the Jamboree was not played as a game, but as an exhibition for the three participating teams: CZC, CHS, and BHS. Also, between the quarters the best players from each team were chosen to compete in relay races and passing and kicking contests.

In 1952, SDAC competed in the Jamboree for the first time. When SDAC entered the Jamboree, the contests were eliminated and the Jamboree assumed its present form with a trophy as the prize for the team which scored the most points.

Queen Marianne I Reigns Over 1966 Homecoming Dance

Queen Marianne I, with escort Jack Sanders, Daphe Downing, Anthony Downing, and Robert Downing.

Effectively decorated with a huge green-eyed tiger, the Coco Solo gym was the scene for the annual Homecoming Dance. October 29, 1966, was the day on which the Girls' Athletic Association and the "C" Club transformed the gym into a lovely ballroom.

The master of ceremonies was William Hanley who announced the entrance of the queen and her court as follows: Princess Linda Birtel, Lady of the Gardenias, Keeper of the Diamond, Daughter of the Pale Gold Moon, Governess of the touchdowns, escorted by Co-Captain Leo Paulson, Leader of the rushing mad dogs, Caller of the Defense, Smasher of the Line, Tamer of the Devils;

Princess Sharon Highley, Duchess of the Roses, Keeper of the Rubies, Daughter of the Royal Blue Sky, Guardian of the high passes, was escorted by John Fettler, Lord of the pass, runner of the tackle around, master of the down field block, Killer of the pups;

Princess Darnell Will, Governess of the Orchids, Keeper of the Topaz, Goddess of the Golden Sunset, Bewitcher of the first downs, escorted by Clarke Richardson, Knight of the Hard Hitting Center Guards, Recoverer of the Fumble, Chief of the Broken Noses and Wearer of the Bird Cage;

Princess Irene Corrigan, Countess of the Lilies, Keeper of the Emerald, Lady of the Aquamarine Sea, Marquise of the Black Defense, was escorted by Jerry Garrudo, Master of the Dauntless Linebackers, Stopper of the Dive Play, Terror of the Temper, Destroyer of the Rams;

Lady Daphne Downing, Mistress of the Flowers, Keeper of the Dew Drops, Ruler of the Twinkling Stars, Goddess of Victories, escorted by Squire Robert Downing, Prince of the Football Team, Keeper of the Queen's Crown, and Ruler of the Rascals;

Queen Marianne Field the First, Queen of the Cheering Tigers and Tigresses, Mistress of the Flowers, Daughter of the Gems, Enchantress of the Night, Ruler of the Glorious Tiger Realm, was escorted by Mike Humphrey, Master of the fullback pass, deceptor of the Bomb, Owner of Flying Feet, Prince of capped teeth.

Following the procession, Co-Captain Jack Sanders, King of the "X" Plays, the Number 5 back, deceptor of the end run, Ruler of the Crutches, crowned Queen Marianne, 1966-1967 Homecoming Queen. Queen Marianne I, a CHS Senior, was dressed in a white gown with a train. After her coronation the traditional "Queen's Dance" followed, in which Marianne and her court danced with their escorts.

Music for the evening was provided by Ramon Mouynes.

CHS Musicians Give "Music of Christmas" for Annual Program

To give the Christmas season a musical touch, the Music Department of CHS, directed by Mr. Edward Carwithen, put on its annual Christmas Music Program on December 21, 1966. The title of the program was "Music of Christmas."

The program opened with selections of German, French, and English Christmas music played by the CHS Band, a special number being "Christmas Festival" by William Latham. This selection was written in sixteenth century style but has modern harmony. These were followed by three vocal arrangements including "The Lord's Prayer" sung by the Junior High School Chorus. After a reading by Jane Bridgeford the CHS Band played "Christmas Party" by Harold Walters.

The CHS Orchestra and Girls' Chorus gave separate performances after which they joined together in the highlight of the evening, Haydn's "Toy Symphony."

Audience participation was requested in a Christmas Carol Sing joined by the music groups in a series of Christmas Carols. The combined choral groups then concluded the evening with "Carol of the Bells" and "God Bless You."

MR. CARWITHEN

Mr. and Miss CHS

MARIANNE FIELD

"Friendly" could be her middle name. Her cheerful smile has brightened the halls of CHS for four years. Marianne our Miss CHS of 1967, has been an active member of the class of 67, and has shown qualities that make her class proud to name her Miss CHS. For four years Marianne has been a cheerleader. She has held two offices in the SA and is active in athletics. National Honor Society has claimed her a member since her Junior year and she was sent to Girls' Nation, the highest honor of any Girl Stater. These are among the many of Marianne's accomplishments, which show what qualities it takes to be a Miss CHS.

LEO PAULSON

Through his four high school years, Leo has also shown qualities which are a merit to CHS. He has shown his fighting Tiger Spirit on the football field as captain of the team in his senior year, and as a member of the All-Zone Team. He has been a member of "C" Club, and an active member of the Caribe Club.

Leo could be seen at SA meetings as a representative, and he ranks in the top fourth of his class scholastically. Above all though, Leo has been a leader in exemplifying school spirit. He too, has worked to make the class of 67 a good one.

"Festival

Queen Janine I with escort Leslie Highley.

With the theme of a "Festival of Flowers", the Senior Class of 1967 proceeded to give the Senior Class of 1966 a memorable occasion to end their high school years. The occasion was the traditional Junior-Senior Prom.

The dance was held at the Coco Solo Elementary School Gym on April 30, 1966. The floral theme was carred out in a flower bedecked ballroom in which Queen Janine Bedsworth I reigned supreme. To further complement the dance, a lighted lily pond complete with flowers was just outside the door in the "Little Park By-The-Sea."

Music for the festive occasion was supplied by Ramon Mouynes and The Strangers. The two bands effectively enhanced the romantic atmosphere by playing love songs with a floral theme.

The Junior Class sponsor, Mr. Richard Bock, worked with the Juniors to give the Seniors this lovely graduation present.

Caribbean Staff Spends Many Hours Preparing Yearbook Dummy for Publication

Fourteen juniors and seniors signed up for journalism as a credit class in the fall of 1966. The first part of the year was spent in the study of journalism theory and then in preparation of the 1967 *Caribbean*.

Four freshmen students and one junior, who were not on the staff, volunteered their services toward publication of the yearbook.

It is traditional for the journalism class to publish the school newspaper, *Tradewind*. This year, because of a small staff and lack of printing facilities, there was only one issue published during the first semester and three the second. The class did supply the two local newspapers with pictures and articles about school functions.

David Lee, a junior, although not a member of the journalism class, devoted many hours to the photography for the yearbook.

Students anxiously await distribution of the yearbook in the spring.

CLUBS

"C" Club and G.A.A. Provide Activities For Sports-Minded Students

The Cristobal High School Letterman's Club, better known as the "C" Club, consists of a group of athletes who have earned a letter in any varsity sport.

"C" Club's purpose is to promote interest in school athletics and school spirit, to uphold school traditions, and to establish proper attitudes of citizenship and conduct in and out of school.

Three of the "C" Clubs main objectives are to maintain the highest standards of sportsmanship, direct the leadership ability of the athletes, and stimulate individual and group initiative.

"C" Club and G.A.A. worked together to prepare for the Homecoming Dance. "C" Club held their annual banquet at the end of the year.

Mari Hanley "Miss France"

This was the first year CHS had a Spanish Club. It was founded for the purpose of maintaining friendly relations between the North and Latin Americans, and to understand the Latin American Countries' customs, language and culture. The Club's first project was a field trip to the interior of Panama for four days during the Easter Vacation.

One week this year was devoted to Le Circle Francais for French Week. It began with the election of Miss France. Candidates from the members of the club were voted on by all the French classes. Mari Hanly won. By the end of the week *Bon Jour* was a familiar expression even for students not studying French. When it was said to the correct person, the student received a perfume sample. Before the week's activities, a contest, which was open to all CHS students was publicized. A five dollar prize was to be awarded to the student with the best composition on France. Friday, Miss France arrived in the cafeteria with a small brass band to present the prize. The winner was Nitza Quinones. All week long, before school and during homeroom period, French music was played over the intercom. There was, also, a French showcase filled with dolls from different regions of France, perfume, and French flags.

Mrs. Gegg, club sponsor volunteered her house as the site of the Club's annual party. Christmas carols were sung in French after the buffet dinner.

At the banquet which was held for the initiation of new members, poems or skits had to be performed in French.

The Caribbean Chapter of the National Honor Society of CHS is sponsored by Mrs. Mary Condon and Mr. Foster Campbell. Its members are expected to excel in scholarship, leadership, character and service. During the course of the past school year, fifteen CHS students from the junior and senior classes who had displayed these qualities, were selected by a board of teachers.

The object of the chapter is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in the students of CHS.

Candidates for this society must have spent at least one semester in CHS. Those eligible for election must have better than a 3.000 grade point average.

The first initiation assembly in October was planned and conducted by students who became members last year. The theme was "Great Americans." Four members each chose a great American who exemplified one of the characteristics of N.H.S. and spoke on that topic.

Early in November a luncheon to which Junior High N.H.S. members and faculty were invited, was given for the new members. At this time a discussion was held on the possibility of putting into effect a successful honor system in CHS. During the year, members were invited to the Balboa High School's initiation assembly.

In December former N.H.S. members spending vacation from college at home were guests at a tea given by N.H.S.

The second N.H.S. initiation assembly was held in February. New initiates at this assembly were: seniors Sharon Fussleman, Catalina Lau, Gloria Lelaidier, Brent Mitchell and Edgardo Quinones; juniors Montague Belanger, Alexander Chong, Stephen Gegg, Marcela Hilzinger, Eugene Porter, and Keith Wrenn.

Balboa High School N.H.S. officers were invited to this assembly at which the Right Reverend Father Heacock was the guest speaker. A reception was held for new members and their parents following the assembly.

All the new members worked on a National Honor Society display.

Students Obtain Experience and Gain Knowledge as Office Assistants

The counselors' assistants have many duties to perform. Their duties include typing, filing, sending out absentee and tardy detention slips, and acting as guides for the new students in CHS. These assistants are contributing their own free time and efforts toward helping the counselors with their heavy work load.

L. to r.: Elizabeth Quinones, Catalina Lau, Cathy Clark, Mrs. M. Taylor, Enid Rivera, Sharon Highley and Jane Robertson.

These girls are under the supervision of Mrs. Taylor. They learn how to operate the mimeograph and ditto machines. Girls eligible for office practice are preferred to have one year of typing. They are also useful in the many odd jobs such as going on errands and bringing messages.

Library Club

The Librarian Club in its second year has worked on expanding in membership and activities. Sponsored by Mrs. Williams the first semester and Mrs. Stohrer the second semester, the club reorganized many of the facilities of the library. Club members made the library a much more attractive and interesting room in which to study and read by adding showcase displays and striking bulletin board decorations.

The club held regular monthly meetings.

The Safety Club headed by student chairman Renee Ballou, is in charge of promoting safety practices at CHS. Safety-minded students are selected on the basis of their interest in the safety of their school.

Members of the safety club make inspections of hazardous situations and cooperate with the Fire Department during fire drills. The Fire Inspector inspects the school periodically with one of the Safety Club members.

CHS Safety Club is a member of the National Safety Council. It is sponsored by Mr. Reeves.

Study and Understanding of Latin American Countries Key Purpose of Boys' Club

Twenty-one boys make up the membership of the 21 Club. Each boy is assigned a Latin American country on which he gives an oral report. The five best oral reports are presented before the Rotary Club at a Banquet. Previously they were written reports. This year, however, three speeches were given every month, and then a final contest was held in February.

Another important event of the 21 Club was the Charity Drive. The Club sponsored a dance charging canned food for admission. Near Christmas time the collection was distributed to the poor people of Colon, the orphanage, the old folks home, and to a family in Costa Rica and the Darian.

An annual program is given by the Club on Panamerican Day. It is sponsored by the Rotary Club.

At the end of the year the new members are voted into the club. Those eligible must be on the A or B honor roll, and interested in school functions. The club comprises a representative group of CHS. A quota is placed on the numbers of incoming members: 7 seniors, 6 juniors, 4 sophomores, and 4 freshmen.

Nursing Career Studied By Nurses Aide Club

To awaken an interest in nursing and help prepare girls who are going to enter that field were two reasons why the Nurses Aides Club was formed. The girls were engaged in worthwhile projects during the year. One of the first was the Christmas project. Members were assigned to collect food, clothing, and toys. On a Saturday, Mrs. G. Pfau, the club's sponsor and several of the members took the items to the community of Los Negros, which is an island in Gatun Lake. There, they distributed the items, making the Christmas of twenty-five families merrier.

The Nurses Aid Club also had a field trip to Palo Seco, a leper colony in the interior.

The club's Easter activity consisted of making tray favors for the patients in Coco Solo Hospital.

A Banquet was held at the Fort Gulick Officers' Club as a final initiation. Dr. Cadilla of Coco Solo Hospital was the guest speaker.

An annual event of the Caribe Club is its Initiation Banquet, the first club event of the year. Pam Maedl, club president, presided at the meeting held at the Elks' Club. Sixteen new members were initiated in an impressive candlelight service. Miss Ann Siebrands was guest speaker.

During National Education Week, members of the Caribe Club made two bulletin boards—one in school, the other in the Coco Solo Commisary. On Visitation Day members also assisted in the halls.

February 14, Valentine's Day was designated by the club to be Teachers' Appreciation Day. Each teacher received an apple and a poem, and the teachers' lounge was kept supplied with an abundance of cookies made by club members.

The most important day for the Club was Student-Teachers Day held April 12. For that one morning, club members taught their favorite subject. Before April 12, the student teacher consulted with the regular teacher and then prepared a lesson plan. This proved an effective way of giving future teachers' experience in this field.

Membership is limited to those who have a B average.

Art Club

Sponsoring the Art Club is Mr. E. Koziol. He and his officers made this year one of organization. The Art Club members made posters for events and clubs.

The club is composed of CHS students interested in art whether or not they are in art classes. To be accepted into this club, art work samples must be turned in to Mr. Koziol. He and his officers judge the work, then on that basis one is selected.

Debbie Rawlings uses the potter's wheel.

Pink Club

Pink Girls, made up of CHS girls is an organization in Coco Solo Hospital designed to benefit the nurses and patients.

In October the girls received their certificates and pins at a Pink Girls Graduation assembly. To earn them, the girls who were interested in the welfare and health of people volunteered fifteen hours a week of their summer to hospital work. Some of the girls' duties were making beds, serving meals, taking temperatures and running errands.

To become a Pink Girl one must be a member of the Nurses Aides Club. A safety course in First Aid is also a prerequisite. When a girl is accepted, she has one week of training under the guidance of Mrs. Sutton R.N. who also assigns the wards in which the girls work.

Torrid Zone Wizards Catalyze Interest of Young Scientists

To instill an interest in science in the students of CHS is the purpose of the Torrid Zone Wizards. The activities of the club included field trips and guest speakers. This year, the "Wizards" took trips to the Gatun Locks, Fort Sherman Zoo, and Battery Pratt. In January they were guests on board the USS Raleigh.

Mr. L. Palumbo, science teacher, was one of the guest speakers. His topic was Barro Colorado Island. Captain Marr, M.D., who spoke about tropical diseases, was guest speaker at the groups' annual banquet held at the Elks Home.

The Torrid Zone Wizard's sponsor is Mr. L. Palumbo, Jr., who worked hard to promote the ideals of the club.

Seven New Members Added to Quill and Scroll

One of the honors that can be granted to a journalism student is that of membership into Quill and Scroll. This club, which is a chapter of the National Quill and Scroll, is an honorary journalistic society. It is composed exclusively of juniors and seniors who scholastically rank in the upper third of their class. They must have worked on the publications of the yearbook or newspaper.

Dramatic Club and Thespian Society Sustain Students' Interest in Theatre

For Thespians and Dramatic Club members the installation of an air-conditioning system in CHS thwarted their plans for play production. In September it was announced that the auditorium would not be available for use the first semester. In January the drama department was told that because all parts for the air-conditioner were not yet available the stage could not be used for daily rehearsals necessary for production till late April. Consequently this year the clubs put on only the one-act plays "Which Way to Boston?" in a classroom situation. However, in order to gain experience and earn points for Thespian membership CHS students helped and acted in Cristobal Little Theatre's productions, *Kiss Me Kate, Never Too Late, Bus Stop,* and *Melody Inn.*

The Thespian Society is an honor club nationally affiliated, to which a student must be elected after he has earned the required points which are given for all aspects of theatrical work.

To support the Thespian Society and to expose students to the work of the theatre is the main purpose of Dramatics Club. Future Thespians are usually elected from this club.

Tigers Close Season In Second Place

CHS Football Tigers, who had been Canal Zone league champions for the past two years, started this season with the forecasters predicting that at best, CHS would come in third place in league standings. There were only two returning starters of the 1965 season for this year's line up, Jack Sanders and Leo Paulson. In the second game with College, Jack Sanders was injured and could not continue the season. However, with high team spirits, fortitude and determination, CHS closed the season with a league standing of second place.

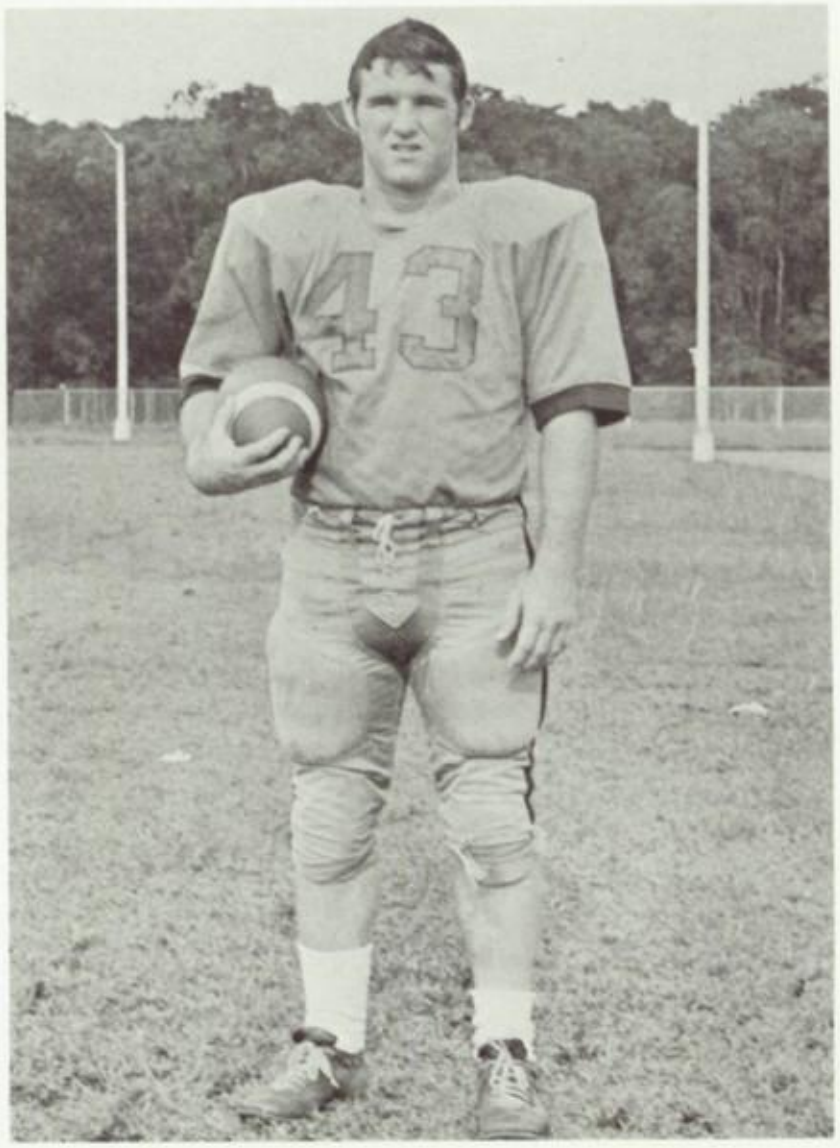
John Fettler, Gerry Garrudo, and Leo Paulson represented CHS on the All-Zone football team.

The CHS football statistics for the 66-67 season are as follows: passes thrown—54, passes completed—21. The team rushing average was 4.1 yards per carry. Team rushing yardage was 969 yards. There were 57 first downs made. Leading rusher was Leo Paulson with 553 yards.

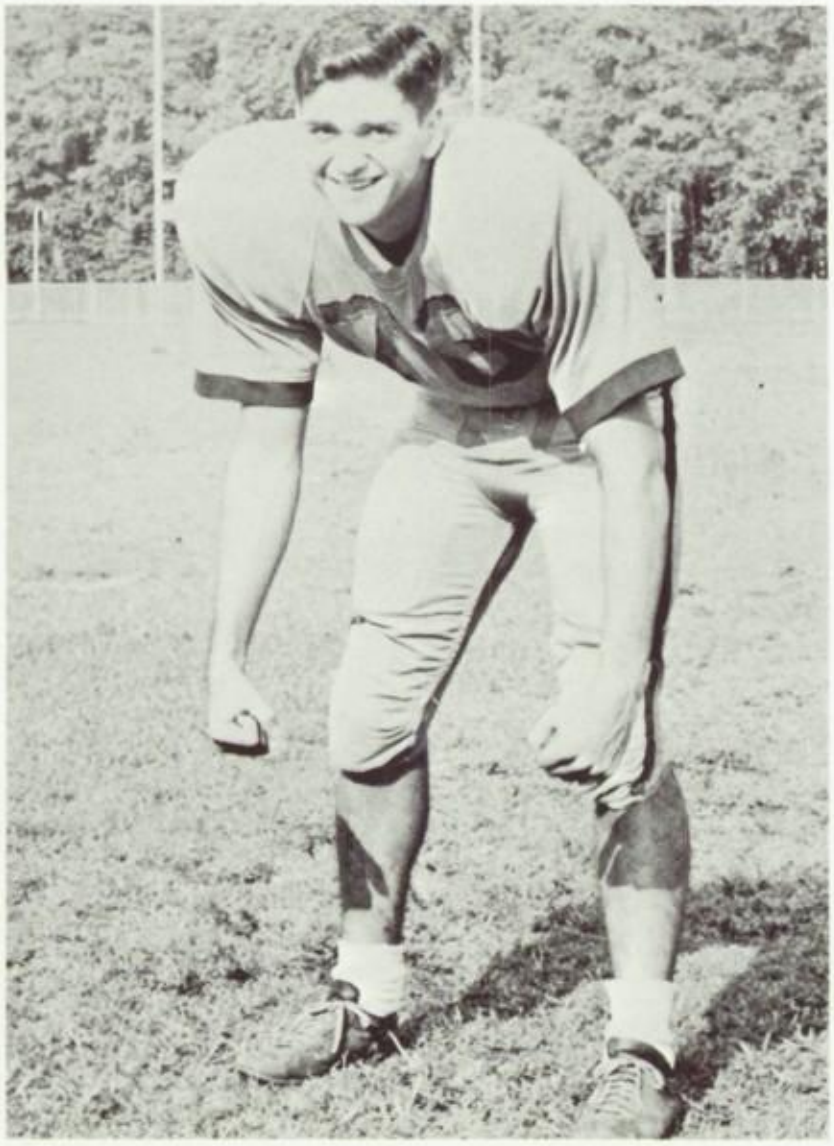
Coaches Name Most Valuable Players

Leo Paulson has played on the CHS football team throughout his high school years. Three of those years, he was chosen as a center, guard, and half-back, consecutively, for the All Zone team.

In his senior year, he was co-captain of the team. He carried the ball ninety-five times gaining 553 yards for a percentage of 5.8 yards rushed per carry.



LEO PAULSON
Offensive Player



GERRY GARRUDO
Defensive Player

Gerry Garrudo came to the CHS football team in his junior year. He lettered on the varsity team the two years he played and was chosen in his senior year as a tackle for the All Zone team.

At Hopkins High School in Minnesota, he had the position of guard on the varsity team in his sophomore year.

It's not all work!

In Action

Cristobal made a successful conclusion to a poor 1967 track season by winning the Balboa Relays. After losing every track meet of the season to Balboa, Cristobal walked away with their division trophy in the Relays, with the nearest competitor, Canal Zone College, ten points behind. A large crowd saw Cristobal leave the first night with a seven point lead and come back the next night to finish where they left off.

New records that were set by Cristobal were: Gerry Garrudo, shot put; Jim Woods, pole vault; and John Fettler, discus and broad jump.

Cheerleaders-Girl's Drill Team To Half-Time Performances

1967 Cheerleaders

The highlight of the school year for many girls, is the cheerleading try-outs held at the end of the school term. All high school girls may try-out for this honor. Several days are set aside for practicing and 16 semi-finalists are chosen. The final try-outs are judged by a panel of teachers and eight girls are selected to lead the cheers at school functions.

Aside from cheering at games, the cheerleaders lead the pep assemblies and enact humorous skits to build up school spirit. A school mascot was added at CHS this year. Lynn Johnson dressed in a tiger suit, added many hilarious moments to the assemblies and games.

With Marianne Field as their captain, and Miss Williams as their advisor, the girls practiced throughout the summer and after school to work as a team.

Add Color and Zest At Football Games

Cristobal's Girl's Drill Team is two years old this year. With new boots, uniforms and guideons, they made their debut at the Jamboree in September. The girls marched at football halftimes and ROTC reviews throughout the year.

Under the supervision of Mrs. Mary Underkofler, the girls, giving up many activities, practiced diligently after school day and night, to put on excellent performances. This hard practicing proved to be worthwhile. They won a plaque in the Veteran's Day Parade for the Best Girl's Drill Team on the Zone.

COACH DEDEAUX

The Cristobal High School Tigers started off an unsuccessful baseball season. They lost their first four games before they finally won one by defeating Schools Division Athletic Club by the score of 5 to 4. The team has been plagued by errors and poor hitting. So far the best hits have been two doubles. Buddy Schultz is the leading hitter, batting .208. Canal Zone College is leading the league followed by Balboa.

ACADEMICS

-FACULTY

Administration

Principal: Carl Maedl—Minnesota

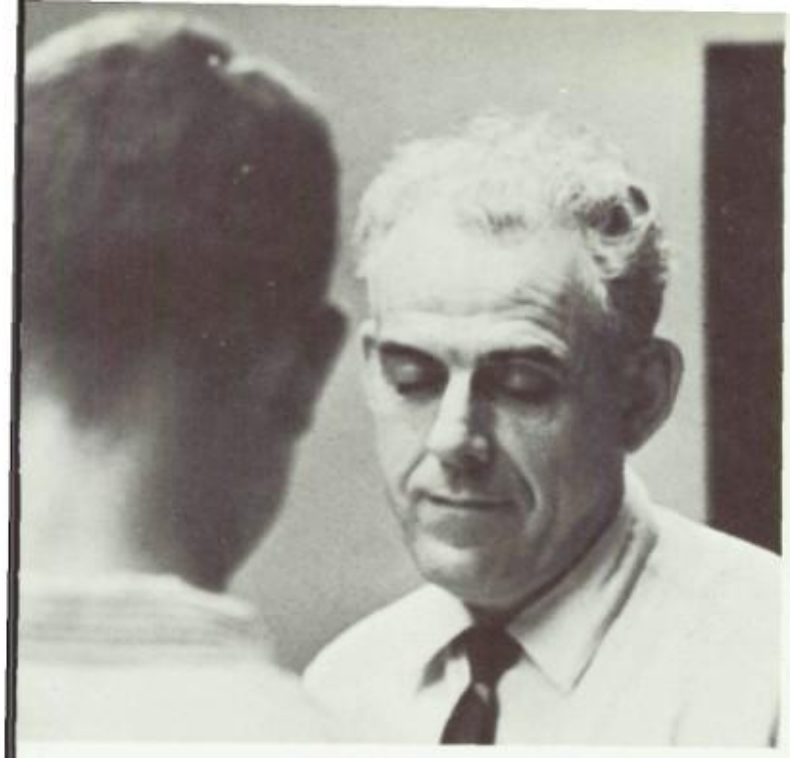
In his first full year as CHS Principal, Mr. C. F. Maedl worked with dedication and devotion to develop a program coordinating academic and extra-curricular activities at Cristobal. Included among his activities were monthly meetings held at Civil Affairs Headquarters with principals from other Canal Zone Schools and Schools Division Administrators.

Added to his schedule this year was the supervising of enabling the carrying out of plans for complete air-conditioning of the school plant—a project which was initiated some years ago.

This year, also, semester examinations were administered in a new form. Entire classes did not meet in one central room for the tests, but testing was done in individual classes within their own rooms. The first two periods of three days were given for testing. On Thursday and Friday students were dismissed at the beginning of third period and teachers stayed to correct tests.

Mr. Maedl has been on the CHS faculty staff for 29 years.

Golf, collecting coins, and reading are his special interests. He was a member of the civic council. He was active in Union Church activities and in Y.M.C.A.



Mr. Pfau was named Assistant Principal in 1965. His duties are to assist the principal, particularly in setting up the class schedules.

Handling the discipline in the school is another of his duties. Actually, more than being a disciplinarian, this is the role of guiding students to make reasonable decisions concerning their conduct. Mr. Pfau spends many hours of each day counseling students.

James Pfau—North Dakota

Chemistry, physics, and math were the subjects taught by Mr. Pfau when he first came to CHS in 1953.

He is an active worker in the Union Church and a member of the choir. He has sung with the "Dischords", a barbershop harmony singing group.

Mr. Pfau's special interests include music and photography.

ADAMARY ANDERSON

FOSTER CAMPBELL

ROBERT L. MOWERY

Robert Mowery—Indiana

The new position, attendance counselor, was held by Mr. Mowery, who is also one of the boys' counselors.

He enjoys collecting insects, photography, and fishing, and works with a Baptist church youth group.

Miss Adamary Anderson—Florida

The girls' guidance counselor, Miss Anderson, has taught in the Canal Zone for 31 years.

Miss Anderson enjoys photography, cooling, and travel. She is a member of the Caribbean College Club, Needlework Guild and the Inter-American Women's Club.

Foster Campbell—Colorado

A first year faculty member at CHS, Mr. Campbell was boys' guidance counselor. He has taught on Guam. His hobbies include mosaics, shelling and golf, and he enjoys traveling. He is a Vestry at the Episcopal Church and a cub-scout committee man.

Mr. Campbell is co-sponsor of Jr. and Sr. High Honor Societies.

Guidance was a course that met once a week. The purpose of the class was to help the freshmen make an easier and better adjustment to high school and to help them investigate a career.

The guidance counselors administered many external tests, mostly to juniors and seniors. Among the many tests, for example, were the Scholastic Aptitude Tests, and American College Test, needed by seniors who plan to apply for college.

Many internal tests were also administered by the counselors. For example, sophomores received the Differential Aptitude Test and seniors took the Strong Interest Inventory, which points out occupational interests.

The department stressed that students, instead of going to study hall, could come to the guidance room and use the many valuable reference materials.

Students were informed that the department has available a wealth of career information.

Counselors assist all students with schedule planning and explain the minimum graduation requirements which are 30 solid credits, 2 non-solid credits, 2 majors, and 2 minors. It was recommended that each year students take 4 solids plus 2 non-solids or 5 solids plus physical education.

A new facet of the guidance department this year was the position filled by Mr. Mowery, an attendance officer. His duties included taking care of all student attendance, which this year in the second semester was done by I.B.M. machines.

Science

EMMA LOUISE MASON

JAMES D. NORMAN

Today just about everything one does has some aspect of science involved in it. Since the Atomic Age and now the advent of the Space Age the importance of science and the interest in it is increasing. That is why CHS offers a large selection of courses and well equipped science rooms.

New this year is a science room in room 252 and a mobile science unit. Two new science teachers were added to the faculty.

General Science, Physical Science, Physical Science Survey, Physics, Chemistry, and Biology were offered at CHS. A student mav earn either a major or a minor in the field of science.

Mathematics

The mathematics department offered a solid foundation in the essentials of mathematics, enabling CHS math students to go on in higher courses to prepare for their professions. Special reports on certain math subjects were given by each of the students in some of the classes. Brent Mitchell; Philip Owen, and Todd Huinker represented CHS on the Math-Science TV quiz show on February 20, sponsored by the C.Z. Society of Engineers.

General math, geometry, Algebra II, introductory analysis and Algebra I were courses available to CHS students.

In an oral report entitled: "Napier's bones", Monte Belanger explained the significance of the illustration on the cover of the Algebra II text, *Modern Algebra, Second Course.*

"Napier's bones", a set of ivory calculating sticks, were thus named after the 16th century scholar John Napier, their inventor, whose revolutionary contribution to mathematics was the invention of logarithms.

The set shown on the text was owned by John Napier himself and is now in the IBM Arts and Sciences collection in New York City. "Monte's bones" were made of construction paper. His report was so impressive to Mr. R. Bock that it was made available to a number of seventh, eighth, and ninth grade mathematics classes where it was received with a great deal of enthusiasm.

The broad physical education program offered to CHS students enables the students to obtain proper body development, knowledge and skill in each of these sports offered at CHS, and a chance for the student to develop teamwork while participating in these sports. The well balanced and varied program of Boy's Gym included such sports as touch football, soccer, swimming, basketball, softball, and the Physical Evaluation test.

The Girl's Gym class schedule consists of basketball, volleyball, field hockey, swimming, and softball.

Health class, which is now required for every freshman, instructs the students in the proper first aid procedures, teaches the student personal hygiene, and gives the student a basic knowledge of the human body and how it functions. The knowledge the student learns in health class will not only benefit the student while in school, but also later in life.

Louis Dedeaux—Mississippi

Mr. Dedeaux began full-time teaching this year at CHS, although he has previously coached swimming and assisted with football for a number of years. He taught high school physical education classes this year and sponsors the "C" Club. He has taught for 15 years in C.Z. Schools.

His special interests include fishing and golf.

Margaret Fattorosi—Louisiana

Mrs. Fattorosi has taught girls' gym classes for ten years at CHS. She sponsors the G.A.A.

Her special hobbies include beach hiking and reading.

Douglas Litton—Mississippi

Coach Litton has taught at CHS for five years. He teaches boys' gym and health classes, and sponsors the "C" Club, football and baseball teams, and intramural activities.

Special Education

EARL SHARICK

Special Education classes began at CHS in 1960. This year the class had seven students. They were taught many crafts, including the imbedding of insects in plastics and making rugs and baskets. A car washing group was also formed for the purpose of teaching the boys correct procedure to wash and polish an auto. In this way for a nominal fee a teacher could get his car washed and a student gained practical experience. Besides learning these crafts, many attended art, music, and other classes, according to their interests and abilities.

The Reserve officers training Corps at CHS was established to help prepare high school students for future careers in the service, to give students an idea of what military life is like. It is to prepare students for college R.O.T.C. if they plan to take it, and to make officers and leaders of men, while helping the student mature.

The R.O.T.C. unit at Cristobal consists of "E" Company, "F" Company, Color Guard, Drill Team, Rifle Team, and a Staff.

Several reviews are put on by the R.O.T.C. throughout the year. The biggest and most important of these reviews are the Brigade Review and Field Night Review. These two reviews are held on opposite sides of the Isthmus. "Field Night" is the most important event of the year. During "Field Night" Cristobal competes against Balboa to determine the best Battalion. There is company competition, platoon competition, drill team competition, squad competition, and individual competition. The Battalion with the most wins at the end of the night is considered the best Battalion.

UNITS OF R.O.T.C.

Company—The company is composed of two platoons with three squads in each platoon. The Second Battalion (which is Cristobal) consists of two companies: "E" Company and "F" Company. These two companies compete against each other throughout the year and at the reviews the best company is awarded the "Best Company Streamer" for that particular marking period. The company is the basic unit of the Battalion.

Drill Team—The CHS Drill Team consists of four squads of boys. The Drill Team puts on a special performance at all the reviews. It is the specialized unit of the R.O.T.C.

Color Guard—The Color Guard has only four boys on it. The Color Guard is also a special unit and it is supposed to set the example for the rest of the company. The two men in the center of the Color Guard bear the American and Governor's flags. The two men on the end of the Color Guard carry M-1 rifles and their job is to guard the colors.

Staff—This unit consists of the S-1, assistant S-2, S-3, S-4, assistant S-4, Battalion Executive Officer, and the Battalion Commander, who commands the staff.

Rifle Team—This team consists of a group of boys that are interested in shooting and can fire a rifle fairly well. The Rifle Team has practice after school and has rifle meets with Balboa's Rifle Team and they compete with schools in the states by mail.

Junior class sponsor, MR. BOCK

Juniors

With one hundred and forty-four students, the junior class ranked top in number this school year. There were sixty four girls and eighty boys.

The class of "68" started the year by electing all-girl class officers—Pat Wagonner, president; Sherrie Weber, vice-president; Carol Peterson, secretary; and Chris Baas, treasurer.

One of the highlights of the junior year was the arrival of the class rings which were ordered in September.

As the year progressed, Barbara Geddes was given the position of chairman of the Jr. Sr. Banquet and Sherrie Weber was appointed chairman of the Jr. Sr. Prom.

Six scholarly juniors were initiated into the National Honor Society on February 21. They were Montague Belanger, Alexander Chong, Stephen Gegg, Marcela Hilzinger, Eugene Porter, and Keith Wrenn.

In March the juniors gave their class assembly under the sponsorship of Mrs. Freda Stohrer and also with the help of Carol Conyne, their chairman.

Sophomores

The sophomore class increased in size in their second year in CHS. At the end of the '66 school year, there were 92 students, and 139 enrolled when school opened in '67. 86 of these were boys and 53 girls.

The class of '69 in their 5 homerooms elected 3 girls to be their officers. Mari Hanly was elected president, Stephanie Lawson, secretary-treasurer, and Jane Wheaton vice-president.

Only one sophomore, Gilda Cedeno made the "A" honor roll at the end of the first semester.

Sophomores are required to take English II and physical education or R.O.T.C. They may elect world history, Spanish, French, biology and geometry, Algebra I and II, Latin I, Typing I, Home Economics I, II, Woodwork I and II, Mechanical Drawing I, II and Art I and II.

The Sadie Hawkins Dance, sponsored by the freshman and sophomore classes on February 18, was well attended. Music was by the "No Names" of Balboa.

Freshmen

This year 74 girls and 70 boys became acquainted with CHS when they entered as freshmen. They overcame many obstacles under the leadership of Dee DeLapp, class president, and Mrs. Young, class sponsor. Their first claim to fame was a victory in the Freshman-Sophomore Brawl.

Freshmen that were put on sports teams representing CHS were: Football: Luis Arocho, Ted Humphrey, Randy Hull, and Joe Cronan; Swimming: Jane Gabriel, Sandra Eustace, Vicki Weber, Bernie Trabue, Ann Hirons; Track: Luis Arocho, Joe Cronan; Tennis: James Stuart, Ann Hirons, Kathy Dockery; Basketball: Kathy Dockery; Volleyball: Ann Hirons, Kathy Dockery, Jane Gabriel, Sandra Eustace, Kim Turley, and Evelyn Legrand.

Scholastically, three freshmen made the "A" Honor Roll for the first semester. They were Patricia McGruder, Eileen Ridge, and Gary Robertson. A freshman, Eileen Ridge won honors as well as a $25 war bond in the Lion's Club Peace Essay.

The freshman class also took active part in the Sadie Hawkins Dance and had representatives in many of the clubs.

The class of '70 seems to be well on the way to becoming an active, energetic group in CHS.

Early in the school year the young "Up With People" singers presented two assemblies in our school. Many CHS students were immeasurably impressed with this outstanding group of young people dedicated to promoting world peace through the understanding of all peoples and friendship with people.

In our journalism class we decided that an "Up With People" theme might be THE theme for the 1967 *Caribbean* and so we started our task of putting together this book in which the staff has attempted to show a complete resume of the happenings and events of the year. We worked always with the thought that it is the PEOPLE who work and plan—study and struggle—laugh and weep—who make up CHS and it is these people we have tried to chronicle and picture.

To many of you we say, "See you next year"—to the students who will be moving to the States and to the graduating seniors we can only say, "It's been a great four years, and it's been fun knowing you."
